Docket Position: Against

I just found out through a phone call from a neighbor in Q Mtn Subdivision that our board has requested a 45% increase in our water bill. As a homeowner, I am appalled at how this board can slip this through without even talking to the homeowners. I have not been notified personally yet as I have not received my water bill. Chances are I won't even get the bill before the 15 day deadline along with many other homeowners. How convenient.

This park consists of mostly senior citizens who are on fixed incomes who would be devastated by an increase like this. I am very aware of the water issues. Raising the rates so we can have a slush fund is not the answer.

Please look into this application very carefully.

Thank you

Kathy Ferguson
